

**A lifetime
of support
for a life
full of
opportunities**

Our experienced team includes an occupational therapist, speech-language pathologist, and Board Certified Behavior Analyst, who specialize in Down syndrome. We offer:

- Full lifespan therapeutic services
- Innovative skill building and social support programs
- Resources, education, and tools for families, professionals, and community members
- New, expectant and adoptive parent support
- Teletherapy and virtual options for many of our services

To volunteer, donate, or learn more about our services, visit kcdsi.org or call **913-384-4848**.
